5. Report on the Status of Federally Funded Projects Programmed for Fiscal Years 2000 thru 2002 and the Federal Fund Balances

MAG staff will provide a report on the status of FYs 2000 through 2002 programmed projects, and the current regional federal fund balances will be discussed. (Attachment One will be provided at the meeting).

6. Emissions Reduction Analysis and Scoring System

Among the April 24, 1999, guidance for the Congestion Mitigation and Air Quality (CMAQ) Improvement Program is a requirement to assess the emissions reduction for each proposed project, where possible. MAG Air Quality staff will present the current procedure used to rate the emissions reductions for the CMAQ funded projects recently submitted for consideration. A list of Street projects, sorted by an Emissions Reduction score is shown at Attachment Two.

7. Projects Submitted for Federal Funding in the FY 2001-2005 MAG Transportation Improvement Program

September 24, 1999, was the deadline for submitting projects for consideration for federal funding in the FY 2001-2005 MAG TIP. By that date, 287 projects were received, totaling \$364 million. There were only 52 Street projects submitted, totaling \$89 million. The CMAQ funds expected to be available total \$57 million. Members will be requested to review and rank the submitted projects for further consideration by the Transportation Review Committee at their November 2, 1999 meeting. Further details, including a listing of the projects submitted are available as Attachment Two.
